EMPLOYEE SPOTLIGHT & FAMILY TESTIMONIAL

Employee Spotlight: Meet the “Dream Team”

Back row from left to right: Frank Pizzo, Kathy Edwards, and April Heier
Front row from left to right: Liz Kaczmarek, Sibyl Melik, Linda Walter

At Clinton Township Parks and Recreation, our full time staff is a true “dream team”. It is a rare treat to have a work environment that feels like family and where each member gives a sincere commitment and true energy to their daily duties. That is what we have here at Clinton Township Parks and Recreation. This team has spent the last 7 years creating short and long term goals and then working diligently to achieve them. The result is customer friendly creations like our improved website, on-line registration, economic impact surveys, increased sponsorships and in-kind donations, a more efficient voice and email system, an improved inventory system and so much more. New programs include: Kayaking, Scout Badge Workshop, and The Great American Backyard Campout. With one of the smallest full time teams in Macomb County, this staff has worked harder and smarter, with less, to maintain the high quality level of service that Clinton Township families deserve.

Your Clinton Township Parks and Recreation department staffers have hit a new level of achievement, becoming the first department in the State of Michigan to have 100% of the professional staff earn and maintain national certification.

Congratulations to each of our exemplary staffers – you always put the residents first and you exemplify team spirit and cooperation. Our staff members show every day - what an honor and privilege it is to work for the Clinton Township Community.

Family Testimonial: Meet the Haines Family

Jon and Joellen Haines have days that are more filled than most with their children’s activities. They are the proud parents of quadruplets, Gregory, Hunter, Rebecca and Parker – age 8 and twins Richard and Ryan – age 5. This happy family has resided in Clinton Township for the last eleven years. They have been regular customers of CTPR for the past 4 years.

The Haines family especially enjoys swim lessons, Safety Town and Summer Day Camp.

When asked what brought them to Clinton Township Parks and Recreation, Joellen says, “We chose CTPR programs because they were so well recommended by our neighbors and friends, and were very affordable for our family. CTPR has so much variety in its programs, and for active families like ours, something for everyone.”

Jon and Joellen had great things to say about the people who work at CTPR as well, “We really like all the people who run the programs, both directly with kids’ day camp and swim lessons and everyone who helps behind the scenes. They are hard-working and fun-loving people who really care about what they do and they give 110% to the program. We’ve always found pleasant answers to our questions and a willingness to listen to suggestions. They have an amazing program that really benefits our family.”

We are proud and honored at the kind words and the confidence of the Haines family. We are constantly impressed with this high energy family – they are a great example of a healthy and active lifestyle. We look forward to watching these wonderful children grow and develop and we will strive to have “something for everyone” in the Haines family today and tomorrow!

The Americans with Disabilities Act

The Americans with Disabilities Act went into effect on January 26, 1992. To this nation's more than 43 million citizens with disabilities, the ADA represents an unprecedented opportunity to eliminate the barriers to independence and productivity.

The purpose of the ADA is to extend to people with disabilities civil rights similar to those now available on the basis of race, color, sex, national origin and religion through the civil rights act of 1964. It prohibits discrimination on the basis of disability in the private sector and in state and local private entities. It also includes provisions for telecommunications relay services.

The Charter Township of Clinton honors the ADA and will work diligently to make the necessary accommodations for individuals who need them. Please use the appropriate area on the registration form to make us aware of your situation and needs prior to your participation in a Clinton Township Parks and Recreation program.

COPIES OF THE ADA ARE AVAILABLE FROM YOUR SENATORS AND REPRESENTATIVES AND CAN BE FOUND IN YOUR LOCAL LIBRARY.

Geocaching 101 Geocaching is the hottest new sport to attract thousands of international players. Featured on ABC News and in news stories around the globe, geocaching (www.geocaching.com) is a worldwide, high-tech treasure hunt using Global Positioning System receivers and the Internet.

The Global Positioning System (GPS) enables people to pinpoint specific geographic locations accurately—anywhere in the world—using a GPS receiver. Once a person has hidden a treasure (or “geocache”) and recorded the location, another player can locate the geocache using his or her GPS receiver. Clinton Township is home to over 25 geocaches!

The Geocaching 101 class will teach participants how

to use a GPS receiver and how to successfully participate in the game. You don’t have to bring a GPS receiver because one will be provided for the class. This is a great opportunity for anyone interested in using a GPS receiver and trying an exciting new hobby.

Geocaching is a wonderful activity for families, scout groups and all outdoor enthusiasts. Because of the various difficulty levels in geocache hunts, people of all abilities can find suitable challenges. Geocaching attracts a diverse group of people. Our Geocaching 101 class is designed for adults and children age ten and above.
